Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,032 for the month of August. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 993 for the month of September. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 0 State FCMP cases.

3/ In addition, there were 42 children in foster care for whom neither board payment nor specialized service fee was made.

SOCIAL SERVICES

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Human Resources numbered 2,559 for the month of September. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 996 for the month of October. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 536 children in foster care for whom neither board payment nor specialized service fee was made.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 1,011 for the month of November. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

2/ Payments based on a rate of $30.00 per month service fees made to the foster homes or $80.00 per month for specialized foster care.

3/ Includes specialized adult foster care service fees. In addition, $1,545.00 was paid for 8 adults for emergency shelter care, which is a component of adult protective services.

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 985 for the month of December. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 0 State FCMP cases.

3/ In addition, there were 45 children in foster care for whom neither board payment nor specialized service fee was made.

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Human Resources numbered 2,593 for the month of December. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 959 for the month of January. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 944 for the month of February. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 940 for the month of March. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. 1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 589 children in foster care for whom neither board payment nor specialized service fee was made.

CHILDREN UNDER CARE OF STATE DEPARTMENT OF HUMAN RESOURCES

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 928 for the month of April. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 922 for the month of May. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

2/ Includes 0 State FCMP cases.

3/ In addition, there were 50 children in foster care for whom neither board payment nor specialized service fee was made.

SOCIAL SERVICES

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Human Resources numbered 2,676 for the month of May. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. 1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs. Average payment should not be used to compute DHR financial obligation.

3/ Includes children under State supervision.

4/ In addition, there were 604 children in foster care for whom neither board payment nor specialized service fee was made.

CHILDREN UNDER CARE OF STATE DEPARTMENT OF HUMAN RESOURCES

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Human Resources numbered 884 for the month of July. The maximum board payment from the Department is based on the age of the child and is as follows: 0-2 years, $181.00; 3-5 years, $192.00; 6-12 years, $202.00; and 13-18 years (19 if last year in high school), $213.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.
